

## **Mr Sanjaya Doreswamy – Professional Profile**

Sanjay is a Mechanical engineering graduate from NIE Mysuru, with over 25 years of experience in manufacturing and IT industries. He has travelled extensively across globe during his stint in IT industry working for industry leading organizations like HP, Cognizant, Deloitte in Analytics and Information management space.

His venture into hospitality industry as an entrepreneur started about 4 years back when he started a homestay "**Kuteera**" ([www.kuteera.com](http://www.kuteera.com)) in Chikkamagaluru on the slopes of Bababudangiri ranges. Kuteera is one of the premium accommodations amidst nature and **ranked #9** among 191 specialty accommodations on "TripAdvisor"

He has diversified into food industry thru an initiative "**Kuteera Kitchen**" aimed at serving senior citizens and others in need of homely and healthy food in Mysuru. In less than 2 years Kuteera Kitchen has a customer base of over 4000 families, several educational institutions and corporate clients.
