Mysuru, Dec.19 - "Library is the heart of any educational system. In a school environment, it provides opportunities to young minds to explore beyond classroom learning. Students of SDM-IMD extended this important service by establishing a library at Adarsha Vidyalaya, as a part of their socially relevant project," said Dr. H. Gayathri, Deputy Director, SDM-IMD, Mysuru.

She was speaking during the inauguration of the library at Adarsha Vidyalaya in Jockey Quarters here on Dec. 15.

Appreciating the Library Initiative for Education (LIFE) at School project of SDM-IMD students, Dr. R. Jagadeesh, Dean- Academics, SDM-IMD opined that such initiatives make our younger generation more responsible for societal needs and help them to demonstrate their managerial skills

in project execution.

Anil Ram, team member of LIFE@ School project said "we are happy to see our project being inaugurated by Deepthi and Pranav, students of the school. This project gave us a chance to experiment the management concept learnt pertaining to project management in the socially responsible initiative."

Sathish, Head Master of the School, thanked SDM-IMD students and also the generous contribution of books by Pramathi Hill View Academy, Ramakrishna Vidyashala and other institutions.

The project was led by Dr. M.V. Sunil, Librarian, SDM-IMD. The dignitaries distributed prizes to the winners of various competitions organised by LIFE@ School team during the National Library Week celebration. Sushma, member of the project, proposed a vote of thanks.
