PGDM

Dharmasthala

The word 'Dharma' traditionally means religion, ritual, duty, righteousness, and alms. It also implies justice, truthfulness, freedom from fear, faith, solace, fulfillment and peace.

Dharmasthala is the perfect embodiment of the word "Dharma" for it displays every shade of meaning with which this word is inspired from.

- ★ To those that come for worship, Dharmasthala represents religious tolerance wherein caste, creed and faith of pilgrims are no bars.
- ★ To those that come for justice at Dharmasthala without any legal formality or argument Shri Heggade dispenses justice, acting in the tradition of his ancestral role as the Heggade and as representative of the presiding deity.
- ★ To those that come in need, Dharmasthala is an Oasis, where succour, solace and hope abound in the serenity of the temple and in the free hosteleries that provide food and shelter.
- ★ And, to those that come in curiosity, Dharmasthala is a miracle of paradoxes. Here different faiths co-exist in harmony just as traditions make room for experimental services. High or low, rich or poor, devout or atheist, at Dharmasthala all are equal.

Having expanded the meaning of Dharma to encompass the advancement of society at large, Dharmasthala has played an active role in bettering the lives of communities far and wide. Its initiatives have aimed at renewing the faith and hope within, so that people may be helped to help themselves.

SDMIMD is promoted by Shri Dharmasthala Manjunatheshwara Educational Trust. Under the inspiring leadership of our Chairman, Dr.D.Veerendra Heggade, the trust has played an active role in empowering people and bettering the lives of communities in Southern Karnataka.

MESSAGE FROM DIRECTOR

Dear Recruiter

SDMIMD, Mysore is a National level B School that provides higher management education studies for students from all over India, providing them with the theoretical, conceptual management knowledge and giving opportunities to experience the real life scenario in the business arena to match them. Even though the campus placement scenario was gloomy generally in several B schools across India, SDMIMD has outshone all its peers and achieved a milestone in placing over 92% of the students from the PGDM Batch 2024-26 well before our Annual Convocation held in early April. We thank all the regular recruiters for placing their faith in our quality of students and the value addition given in the PGDM Programme.

SDMIMD was established by Dr. D Veerendra Heggade in 1993 with a Mission of creating young leaders who are globally aware, socially responsible and rooted in the Indian Value systems. And we have diligently followed this dictum continuously and the results have been overwhelming.

SDMIMD faculty take pride in ensuring that the students inline with the changes in the business environment and are ahead of the curve in anticipating the expected learning from the corporate organisations.

The legacy of Dharma is part of SDMIMD's value system, in that, Ethics, Values and Social Responsibility are integrated within each course of our PGDM Programme.

The PGDM Programme at SDMIMD is an accredited one by the European Federation for Management Development (EFMD) and we also have the Business School Impact System (BSIS) award for the Institute from the European Union. As a contemporary measure, SDMIMD offers an ESG Certification for the students as part of the PGDM Programme.

We cherish our association with you and your organization. We welcome you to the campus placements in 2026!

We look forward to your gracious presence on the Campus

Thanking you with Warm Regards

Dr.(Lt Col) Prasad SN

Director, SDMIMD

INVITE...

Dear Recruiter,

We are pleased to introduce this year's graduating batch from SDMIMD, a diverse group of postgraduates from engineering, business, management, and allied disciplines, ready to step into a corporate world being reshaped by AI and rapid technological change.

In a market where automation is redefining routine roles, what sets our graduates apart is not just technical know-how but the judgment, adaptability, and cross-functional thinking that AI cannot replicate. Our curriculum is deliberately designed to build these strengths, combining rigorous academics with real-world exposure, so that our students bring analytical depth alongside the human skills of collaboration, critical thinking, and decision-making under uncertainty that today's businesses need most.

Beyond the classroom, our students engage extensively with industry through exchanges and events hosted at SDMIMD. Many have participated in international exchange programs across France, Belgium, Portugal, and the United States, returning with a global outlook and fresh perspectives that few fresher batches can match.

Our alumni network reflects this readiness, with graduates thriving across strategy, business analytics, operations, marketing, finance, and consulting, at both established corporations and emerging start-ups. As industries evolve, we believe hiring fresh MBA talent isn't just about filling roles; it's about bringing in agile, tech-aware minds who can grow with your organization's changing needs.

We warmly invite you to meet our students and experience firsthand the talent, adaptability, and managerial potential they bring to the table. We look forward to a partnership that proves valuable for both our graduates and your organization.

Regards

The same is circulated to the students by the Placement Committee, basis which the interested students apply for the position(s). The companies make a pre-placement presentation (PPT) to provide an opportunity to the students to further seek clarity on the profile of the company, position and compensation offered and other relevant information.

A job offer is considered to be valid only if the Placement Office is in receipt of the written/ email communication of the same. Early confirmation of offer(s) is appreciated since delay in confirmation may result in the candidate(s) being placed in any other company.
