

About the Institute

Shri Dharmasthala Manjunatheshwara Institute for Management Development (SDMIMD), ranked among the top Business Schools in India, is located at the foot of Chamundi Hills in the heritage city of Mysore in Karnataka, 140 kilometers from Bangalore. Its charming campus has won architectural and landscape awards, and provides a great setting for learning and germination of managerial intellect. The Institute is promoted by the Shri Dharmasthala Manjunatheshwara Educational (SDME) Trust, a much admired non-profit educational trust that runs over 40 recognized educational institutions in Karnataka, including engineering and medical colleges. Dharmasthala, 'the abode of dharma', has been a renowned pilgrimage centre for hundreds of years and canons of selfless service, integrity, and social development stand embedded in all of the Trust's activities. The Trust and all the associate Institutions benefit from the visionary leadership of our Chairman, Padma Vibhushan Dr. D. Veerendra Heggade.

SDMIMD has been rated A** (A Double Star) by Credit Rating Information Services of India Limited (CRISIL) at the National Level. The ranking by CRISIL assumes special importance in the light of the fact that the rating was awarded after a thorough inspection of the facilities in the Institute, the performance in respect to admissions, placements, academic rigor and the feedback from the alumni and students. The ranking brings the Institute on par with many leading B-Schools in the Country. SDMIMD's AICTE-approved PGDM program that is accredited by NBA runs for six terms over two years with an impeccable quality of academic rigor. The curriculum and pedagogy are planned by an elaborate process every year by taking into account practices in other leading institutes the world over, and considering the views of leading academics and recruiters. The Institute is well known for its research activities and the dedicated research publications have come in for praise from the world of academics. SDM Research Centre for Management Studies (SDM RCMS) has been recognized as a centre by University of Mysore for guiding aspiring Ph.D students. Further, in association with AIMA, a two-year dual certification program was launched last year. The Institute has tie-up with foreign universities for academic collaboration-Mays School of Business, Texas A&M University, USA, MBA Centre, Global Management Education Institute, Shanghai University, China, British University in Dubai, University of Dubai, University of Bordeaux, France and Groupe École Supérieure de Commerce, France.

6th International Conference on Emerging Trends in Finance, Accounting and Banking

Navigating Uncertainties in Global Financial Markets India's Trajectory

August 18-19, 2017 (Friday and Saturday)

Shri Dharmasthala Manjunatheshwara
Institute for Management Development

Accredited at
Global Level

About the Conference

The capital markets are set for turbulent times as the recent developments in the global financial markets might have ramifications that could erode the fortunes of emerging markets. The good news though is that the Indian economy is set to bear the lesser brunt of the impact of the happenings in global markets. Global developments coupled with the recent happenings in the domestic market have reinforced efforts to draw a roadmap for markets to navigate the uncertainties. The recovery of U.S market could trigger a hike in interest rates; likewise, changes in the global policies of the new administration in the U.S and the exit of U.K from the European Union could have ripple effects across the globe in terms of trade wars.

Despite all these odds stacked against it, the GDP in India is expected to grow in the range of 6.5%-7.25%. The fastest growing economy in the world is poised to remain at the epicentre of all investing activities.

A slew of measures led by the government in bringing up transparency in operations, efforts to eradicate black money, policies providing a fillip to new start-ups and MSMEs, impetus to infrastructural development and opening up of banking sector are expected to turn the financial pivot firmly in India's favour.

Overwhelmed with resounding success from the earlier versions of the International conference on Finance and Accounting, SDMIMD takes the pleasure in announcing the 6th International Conference on Emerging Trends in Finance, Accounting and Banking on August 18-19, 2017.
