

Management Development Program (MDP) on Visual and creative thinking for Managers

Date: 19th May 2023**Venue: MDP Hall**

About the Program:	<p>Visual thinking is a way of thinking that involves using images, diagrams, and other visual aids to help understand and solve problems. Visual Thinking Strategies (VTS) is an inquiry-based teaching method that improves a learner's ability to describe, analyze, and interpret imagery. The method supports collaborative discussions, especially among learners. who struggle with traditional text-based or lecture-based learning environments.</p> <p>Cultivating creative thinking is considered one of the core strands in future-focused learning.</p>
