Mysuru, July 1- A one-day workshop on 'How to publish your paper in journals' was conducted on June 27 at Shri Dharmasthala Manjunatheswara Institute for Management Development (SDM-IMD) in Siddharthanagar here. Inaugurating the workshop, the Institute Director Dr. N.R. Parasuraman stressed on the need to research and

publish apart from encouraging the participants to develop the art of writing scholarly articles.

The main objective of the workshop was to provide insight into the research process and adequate inputs to develop writing skills, said Dr. R. Jagadeesh, Coordinator of the Programme and Dean-Academics, SDM-IMD.

Dr. M.V. Sunil, Librarian, SDM-

IMD, also the other resource person of the workshop, said "the programme is essentially designed to cater to the requirements of research scholars, Ph.D students, academicians and professionals interested in learning the art and science of writing publishable papers."

The workshop was attended by 42 participants from various

educational institutions and corporate with diverse background, qualification and experience.

The workshop had four sessions dealing with developing the content, search and bibliography building using internet, choosing journals, peer review, handling rejections and finally concluded with suggestions and tips for successful publishing.
