

## SDM-IMD students on exchange programme at Dubai University

**SDM-IMD students seen with Dr. Eesa Bastaki, President and Dr. Ananth Rao, CAO of University of Dubai.**

Mysuru, Apr. 19- Students from Shri Dharmasthala Manjunatheshwara Institute for Management Development (SDM-IMD), Siddarthanagar here, spent a week of classes and interaction at the University of Dubai in the first week of April.

SDM-IMD entered into a special tie-up with the University of Dubai for a short study-cum-

corporate exposure orientation for select students, who are top performers in the first year programme. Already, SDM-IMD has tie-up arrangements with Mays Business School, Texas A&M University, Shanghai University as well as the British University in Dubai, involving student and faculty exchange.

The present arrangement with

University of Dubai was based on a discussion with the latter on specific academic and corporate inputs that the students could be exposed to.

Dr. Eesa Bastaki, President, University of Dubai and Dr. Ananth Rao, CAO of University of Dubai, addressed the students during the valedictory and distributed certificates to them.
