Shri Dharmasthala Manjunatheshwara Research Center for Management Studies (SDM RCMS)

Doctoral Program (Ph.D.)

Recognized by University of Mysore, Mysuru

We want to create true business leaders with Indian values, that is relevant in a global scenario.

Dr. D. Veerendra Heggade
Dharmadhikari, Shri Kshetra Dharmasthala
Chairman, SDM Educational Trust (R)

Shri Dharmasthala Manjunatheswara Institute for Management Development (SDMIMD) was set up in the year 1994 for the purpose of developing into a Centre for higher learning which would churn out high-class professionals with managerial skills coupled with a good grounding of Indian values and principles. The Institute has lived up to this objective and is today recognized as a front-running B-school in the country. Apart from a frequently updated curriculum, the Institute follows several orientation practices which include case discussions, projects and role play. In parallel, there is a continuous emphasis on research. On account of the efforts of the Faculty in this direction, the Institute has been able to bring out several top class research papers – both through internal publications and also through highly-acclaimed journals outside

The Institute has also launched a Ph.D program based on the recognition accorded to its Research Centre by the University of Mysore. SDMIMD seeks to extend the high standards of its management program to the Ph.D orientation as well. In particular, the richly experienced and accomplished faculty will be able to pass on their learning and experience to budding research scholars. Also, candidates are expected to sharpen their conceptual skills by attending special sessions on the respective area of research.

The Ph.D program seeks to build on the current strengths and activities of the Institute in terms of conferences, publications, research and interaction with renowned scholars from the world over.

SDM Research Center for Management Studies (SDM RCMS)

SDMIMD is a unique management institution that has pioneered a philosophy of management education that is Indian in ethos and global in relevance. Being known for its flagship program – Post Graduate Diploma in Management (PGDM) has widened the scope by offering Doctoral Research Program in Management Studies. Shri Dharmasthala Manjunatheswara Research Center for Management Studies (SDM RCMS), the research unit of SDMIMD has been recognized as Research Center by the University of Mysore (UoM), Mysuru to offer Doctoral [Ph.D.] Programs.

SDM RCMS extends the professional guidance and assistance to the research aspirants in the area of Management Studies and the successful research works will be awarded the Doctoral Degree by the University of Mysore. The objective of this centre is to promote a variety of research and scholarly initiatives in the field of management. It is envisaged that, SDM RCMS would help in growing the intellectual capital, not only within the Institute, but also provide a platform to broaden their research initiatives at various levels in times to come.
